Hello Quilting Friends! February is right around the corner, and while the air in New England might be chilly, things are heating up at Village Stitchery. We have new kits, curated bundles, and a calendar full of events to keep your needles moving all season long.

Just Arrived

The highly anticipated Farmer's Daughter Kits by Lori Holt have officially landed! If you've been waiting to start this beautiful project, now is the time. Join the Fun: Lori's sew-along began on January 25th on YouTube, but it is definitely not too late to catch up and join the community. [Get the kit here.](#)

Local Inspiration: NH Lakes Region Curated Bundles

Our NH Lakes Region Curated Fat Quarter Bundles are here! These are "scrappy" bundles—each one a unique story in fabric inspired by the colors and life of our beautiful Lakes Region. One-of-a-Kind: Once a specific bundle is gone, it's gone for good. Grab a piece of NH inspiration and show us what you create! [Shop the Bundles.](#)

Service Update:

As of February 8, Village Stitchery will transition away from vintage restorations, repairs, and full t-shirt/memory quilt construction. We will still offer professional quilting for your pieced t-shirt and memory quilt tops! This change allows us to focus more energy on developing exciting new programs and collaborative projects for all of you.

Pro Tip: Mastering Tension

Tension issues can be a hiccup in an otherwise peaceful sewing session. The talented Bethanne Nemesh has written a fantastic troubleshooting guide to help you recognize and tackle tension issues with ease. She has graciously allowed us to share it with you!

A Note on Pricing

To keep bringing you the highest quality materials, we have to adjust for industry changes. Effective February 1, 2026, the manufacturer for Quilter's Dream Batting is implementing a 4% price increase. We wanted to ensure you were the first to know as you plan your projects for the new year.

Community Poll: Mystery Scrap Block of the Month?

We are thinking about starting a Free Mystery Scrap Block of the Month Quilt Along! The goal would be to use your own beautiful scraps and finish a quilt together before the end of the year. If you are interested, please send me an email at villagestitcherynh@gmail.com. This is not a commitment, just a measure of interest. Thank you!
