December 2025

A "Work in Progress" We Think You'll Love!

Just like a complex quilt pattern, building the perfect online home for **Village Stitchery** takes time, patience, and a few "frogged" seams along the way.

We've been working hard to upgrade your experience, and while we've hit a few technical hiccups during the process, we are so grateful for your patience as we resolve them. We are committed to making this shop the best it can be for you!

Here's what's fresh on the site right now:

- A Brand New Look: Explore our updated **color scheme** and **product gallery** designed to make browsing those beautiful fabrics a joy.
- Essential Resources: We've updated our [Services](#) and [Quilt Preparation](#) pages. Plus, you can now download **Printable PDF's** for both [Quilt Prep](#) and our [Recommended Quilt Care](#).
- Design Inspiration: Check out our brand new [Pantograph Design Gallery](#) to find the perfect finish for your next project!
- New Arrivals: The latest [Lori Holt](#) products have just landed!

Looking ahead (The Road to 2026)

We know that as we've grown, our search options on our current platform have struggled to keep up. Because our current subscription runs through mid-2026, we are doing everything we can to improve your experience in the meantime

Coming Soon: We are adding a Comprehensive Site Map to the bottom of every page to help you find exactly what you need.

On the Horizon: Look forward to an Interactive quilting calculator, a batting comparison chart, and more frequent blog posts.

Once our current term is up, we plan to move to a more robust platform that can truly handle our growing community.

We value your voice! Is there something you've always wanted to see on our site? A specific resource or a way to shop? We welcome your input as we plan for the future.

Thank you for "hanging in there" with us and for being such a vital part of the Village Stitchery family.
